ACKNOWLEDGEMENTS

We are delighted to present the inaugural issue of the Gameology And Multimedia Expert, Volume 1, Number 1, for the month of January 2024. This milestone would not have been possible without the dedicated efforts of numerous individuals and organizations.

First and foremost, we extend our sincere gratitude to the authors who have contributed their insightful research articles to this inaugural edition. Your commitment to advancing gameology and multimedia is truly commendable.

We would also like to express our appreciation to the peer reviewers who generously shared their expertise and provided constructive feedback to enhance the quality of the submitted manuscripts. Your invaluable contributions have played a pivotal role in maintaining the high standards of GAME.

Furthermore, our heartfelt thanks go to the editorial board members for their tireless efforts in the review and selection process. Your commitment to ensuring the relevance and rigor of the journal has been instrumental in shaping the content of this issue.

Last but not least, we would like to thank our readers and the broader academic community for their interest in GAME. Your support is crucial in establishing GAME as a reputable platform for disseminating cutting-edge research in the field of game development and multimedia.

We are excited about the journey ahead and look forward to continuing to serve as a valuable resource for researchers and practitioners alike. Thank you for being a part of the GAME community.

Sincerely,

[Sujacka Retno, S.T., M.Kom]
